HAL is a multi-disciplinary open access archive for the deposit and dissemination of scientific research documents, whether they are published or not. The documents may come from teaching and research institutions in France or abroad, or from public or private research centers.

L'archive ouverte pluridisciplinaire **HAL**, est destinée au dépôt et à la diffusion de documents scientifiques de niveau recherche, publiés ou non, émanant des établissements d'enseignement et de recherche français ou étrangers, des laboratoires publics ou privés.

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-018-22209-9>, published online 01 March 2018

In the original version of this Article, there were errors in Affiliation 1 which was incorrectly listed as 'IRD, Amap, 34398, Montpellier, France.' The correct affiliation is listed below:

AMAP, IRD, Cirad, CNRS, INRA, Université de Montpellier, Montpellier, France.

These errors have now been corrected in the PDF and HTML versions of the Article, and in the accompanying supplementary material.
