## Correction to: Veterinary Research Communications <https://doi.org/10.1007/s11259-023-10153-7>

In the published paper, there was an error in the address of the affiliation of the fifth co-author Suman Das Gupta. The address of the Gulbali Institute should be read, “Gulbali Institute, Charles Sturt University, Wagga Wagga, NSW, Australia”.

The original articles has been corrected.
